Dear Parents/Guardians,

Charity Donation Drive for Lions Club of Singapore Nanyang

The Character & Citizenship in Education department of Temasek Primary School will be conducting its annual charity donation drive to raise funds for Lions Club of Singapore Nanyang. The Lions Club of Singapore Nanyang reaches out to about 5,500 lonely seniors, aged 65 years and above who have limited or no family support. It also works with other voluntary welfare organisations to render assistance to less privileged families, youths & children. Lions club members are working on various service projects in collaborations with VWOs such as Star PALS (Collaborative Care for Children), Brain Tumour Society (Singapore) and other organisations.

As part of the Chinese New Year tradition, we would like to foster the values of giving and compassion for the elderly. We believe our pupils can help to make a difference in the lives of the less fortunate through this project and would like to extend an invitation to you and your child to participate in the Lions Club fund raising project. It is your continued support that makes the Lion's Club work sustainable and we sincerely hope you can join the school in creating a more gracious and caring society.

Funds will be raised through pledge cards. The pledge card which is in the form of an A5 size envelope will be issued to your child by his/her form teacher. We seek your assistance in ensuring that your child submits the completed pledge card and money to his / her form teacher by **20 Feb 2017**.

We look forward to your support in this community service project and would like to take this opportunity to wish all our Chinese parents and pupils a Happy Lunar New Year!

Thank You.

Yours sincerely,
