Dear Parent,

Conversational Chinese/Malay Programme – Primary 3, 4 and 5

The Conversational Chinese/Malay Programme (CCM) is introduced as an enrichment programme for non-Chinese/non-Malay pupils who are interested in learning Chinese/Malay language and its culture. Learning Conversational Chinese/Malay would provide these pupils with the facility to communicate with their counterparts, and to better understand and appreciate Chinese/Malay culture and values. It will also help pupils to enhance their rapport with Chinese/Malay-speaking friends.

By the end of the programme, pupils should be able to:

- a) communicate (listen and speak) on everyday situations in the language; and
- b) understand and provide responses to conversations or verbal narratives on selected issues.

The school will be organizing Beginner Conversational Chinese/Malay Programme for interested P3, P4 and P5 pupils. Through this programme, pupils currently taking Chinese, Malay or Tamil as their Mother Tongue Language can take up another language. External Instructors will conduct the lessons and they will be using various teaching resources or materials in the teaching of the conversational Mother Tongue Languages.

The schedule for the Conversational Chinese/Malay Programme is as follows:

Date: 10 Fridays (3, 10, 17, 24 February, 3, 10, 31 March, 7 April, 12, 19 May)

Time: 2.00 pm - 4.00 pm

Note: Please assemble at the School Canteen for the first session.

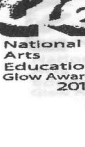

We would appreciate if you could complete the attached consent form and return it to your child's Mother Tongue Teacher by 24 January 2017.

Thank you.

Yours Sincerely,

Mr Francis Foo
Principal
Temasek Primary School
