Dear Parents/Guardian,

English Festival 2017

To develop our pupils to be future global citizens who are articulate and effective users of the English Language, the English department will be holding an English Festival from 28 March to 30 March 2017.

Through the activities planned, we hope to:

- expose pupils to the use of Standard English through fun and exciting English activities
- ensure pupils recognise the importance of speaking Standard English
- encourage all pupils to speak Standard English

Due to the overwhelming response received in 2016, the Poster Design and 3D Book Cover Design competitions are back for their second year. With an aim to pique our pupils' interest in the English Language, the competitions will be open to all Primary 1 to Primary 6 pupils. More details on the competitions will be provided by your child/ward's English teacher.

Competition	Levels
3D Book Cover Design	Primary 1 to 6
Poster Design	Primary 3 to 6

Pupils are encouraged to use the last week of Term 1 and the March holidays to work on their designs. The deadline to submit entries for both competitions is **Tuesday, 21 March 2017**. Prizes will be awarded to winning entries from each level.

We look forward to receiving your child/ ward's wonderful creations.

Thank you.
