

TEMASEK PRIMARY SCHOOL

Learn, Lead, Serve & Grow

6 July 2017
H/ 110 /2017

Dear Parents/Guardians,

P5 Service Learning- The Hamper Builder

In line with the school's Service Learning Vision – "Nurturing a Generous Generation", and the school's core values of responsibility, respect and charity, our Primary 5 pupils will embark on a Service Learning Project. We would like to spread the important message of empathy and giving to the less fortunate and we hope our pupils will understand them through their participation in Service Learning.

In conjunction with National Day, the P5 pupils will engage on a Service Learning by preparing simple hampers to bring cheer to the children at the Pertapis Children's Home, Jamiyah Children's Home, Darul Ihsan Orphanage and the Ramakrishna Mission Singapore. The hampers consisting of items requested by the homes will be presented to the children in these homes by a group of pupils representing the P5 level and staff members at the end of July 2017.

We would appreciate if every pupil could assist in donating any of the following items:

Toiletries	Food
Deodorant	Milo drink (250ml)
Facial Wash	Instant Noodles
Shower Gel	Biscuits
Detergent	Milk Powder
Washing powder	Biscuits
Dettol	Maggi Chicken Cup Porridge
	Nutella
Others	Cereal – Koko Krunch & Milo
Cooking oil – Sun flower	Kaya
Ghee	Cashew nuts
	Nespray fortified milk powder
	Maggie Noodles – curry flavour

We seek your understanding in ensuring all donated items have a shelf life of at least 6 months. We would greatly appreciate if the food items donated are Halal certified.

Collection for the donation will begin from 13/7/2017 (Thursday) to 27/7/2017 (Thursday).

We look forward to your support in this community service project.

Thank you.

Yours sincerely,

Ms May O
Year Head P5 & P6

Mr Francis Foo
Principal
