Dear Parents/Guardians

CHANGES TO SCHOOL DISMISSAL ARRANGEMENT (WITH EFFECT FROM 10 JULY 2017)

We hope that you had a fruitful and enjoyable holiday with your family members during the June school holidays.

Please be informed that a HDB BTO development project has recently started at a site just behind the school. HDB has hoarded up the construction site. For safety reasons, HDB will also be hoarding up the service road (located between HDB Block 156 and the school) with effect from Monday, 10 July 2017.

Due to the hoarding, the school gates C and D will be closed and only gate B will be used for dismissal. To provide for a smooth and safe dismissal of our pupils, the school will be implementing staggered dismissal times with effect from 10 July 2017, as follows:

1. P1 – P3 : dismissal time at 1.30 pm
2. P4 – P6 : dismissal time at 1.35 pm

In order to ease any congestion at gate B during dismissal, we would like to advise parents who pick up their P4-P6 children to only come into the Parent Waiting Area after their children are dismissed (ie. after 1.35 pm). To further ease any congestion, several chairs at the Parent Waiting Area will be removed to create more space for the children during dismissal. There will also be markings at the Parent Waiting Area to clearly indicate the space for waiting as well as the space for movement of pupils during dismissal.

For the convenience of our pupils who take public bus along Upper East Coast Road, gate F (located outside the school's Indoor Sports Hall) will continue to be opened for them during school dismissal.

Thank you for your support and co-operation in this matter.

Regards,

Mr Francis Foo
