24 July 2017

Dear Parents/Guardian,

Science Fiesta 2017

This year, the Science Fiesta will be held from 2 to 4 August 2017. The Science Department is conducting activities in line with the Science Fiesta.

The objectives of the activities are to:

- ignite the passion for Science in pupils
- engage pupils in Science through hands-on play and
- create opportunities for parents to bond with children

The P3 to P6 pupils can take part in a variety of hands-on station based activities during their recesses. In addition, an online quiz will be uploaded on the MOnline platform and we encourage all pupils to participate in the quiz.

The online quiz will be available from 2 to 25 August 2017. We look forward to your participation.

Thank you.

Yours sincerely,

Mdm Connie Soon
