

# TEMASEK PRIMARY SCHOOL

*Learn, Lead, Serve & Grow*

H/118/2017

06 July 2017

Dear Parents/Guardians,

## Service Learning – Young Heroes for the Elderly

In line with the school's Service Learning Vision – "Nurturing a Generous Generation", and the school's core values of responsibility, respect and charity, our Primary 6 pupils will be involved in a Service Learning Project. We would like to spread the important message of compassion and giving to the less fortunate and we hope our pupils will understand them through their participation in Service Learning.

The Primary 6 pupils will embark on a Service Learning Project to bring cheer to the elderly at the Lions Home for the Elders. They will be engaged in preparing simple gift boxes. The gift boxes consisting of items requested by the Home will be presented to the senior residents in these homes at the end of July 2017.

We would appreciate if every pupil could assist in donating any of the following items:

No.	Items
1	Instant noodles
2	Milo in tins
3	Milk powder (for adults)
4	Face towel, 7" x 5" (18 cm x 13 cm)
5	Shampoo
6	T-shirts for male residents (except white colour) (S, M, L sizes)

We seek your understanding in ensuring all donated items have a shelf life of at least 6 months and would greatly appreciate if the food items donated are Halal certified.

We would be collecting the donated items from **Monday, 10 July 2017 to Thursday, 20 July 2017.**

We look forward to your support in this community service project.

Thank you.  
Yours sincerely,

Miss O Guat Bee  
Year Head P5 & P6
