Dear Parents/Guardian,

## **National Education Programme for Primary Five – Heritage Learning Journey to Little India**

The National Education Committee has planned the Heritage Learning Journey to Little India for the Primary Five students. The objectives of this learning journey are to enable the students to understand the origins and different types of Indians, reasons for their migration to Southeast Asia, the jobs that they take on and the different religions, traditions and practices of the Indian community.

To deepen our students' learning, they will be involved in writing reflections about what they have learned after the trip. Below is the schedule for the Heritage Learning Journey to Little India:
