Dear Parents/Guardian,

## Character and Citizenship Education (CCE) Term 1 Updates

As we approach the end of Term 1, we wish to thank you for your support in the area of Character and Citizenship Education (CCE).

We would like to share with you the learning experiences that your child/ward actively participated in and hope that you would collaborate with us in reinforcing the efforts in school. Students benefit the most when the school and home environments are attuned to each other.

### Commemorative Days : Total Defence Day

CCE provides learning experiences for Temasekians such as the four National Education Commemorative Days. This term, the commemoration of **Total Defence Day (TDD)** was especially poignant.

# TEMASEK PRIMARY SCHOOL

*Learn. Lead. Serve & Grow*

In the wake of Covid-19, the students were taught that the most effective action against the virus is for all of us, in school, at home and in the community, to put aside our differences, and step up to fight it together. We need to be aware that even one act of carelessness or indifference of an individual can have consequences that affect many others.

The responsibility of containing the virus falls not just on the authorities, but also on all of us. We empowered students to play their part by practising good hygiene using the daily Wipe-Down routine and frequent washing of hands. These are important opportunities to emphasise to our students, the importance of civic consciousness and being concerned citizens. The students will be bringing home a poster that they coloured to share with you the Soaper 5 Characters from Ministry of Education, Character and Citizenship Education Branch.

## Home- School Partnership: Family Time

During the March School Holidays, we encourage the families of Temasekians to be empathetic towards many unsung heroes who have been working tirelessly to ensure the cleanliness and safety of Singapore.

Let us rally together as a Temasek family to participate in the #SGUNITED movement and adopt a FFL Share-the-care-basket or alternatively, you may wish to make Share-The-Care Red Appreciation Badges as a family and gift to our unsung heroes
