Dear Parents/Guardian,

## Morning Eureka Sessions for Science

The school is implementing Morning Eureka Sessions for Primary 6 students from 13 February 2020 to 8 May 2020. The purpose of the sessions is to meaningfully engage our students through "question and answer" time with our Science teachers. The sessions provide opportunities for our students to reinforce their conceptual understanding in Science and apply their learning in application-based Science questions. The sessions are conducted before morning assembly for a duration of 15 minutes. Your child is strongly encouraged to attend these sessions.

If your child/ward is attending, he/she will collect the worksheet before each session from his/her Science teacher to attempt the questions given and bring the completed worksheet to the venue for the session. The following are the details pertaining to the sessions:

Classes	Venue	Day	Timing	Remarks
6 Responsibility 6 Open-mindedness 6 Humility	Seminar Room	Thursdays	7.10 a.m. to 7.25 a.m.	For students who reach school before 7.05 a.m., they are to assemble at the canteen with their bags. At 7.05 a.m., a teacher will bring them to the Seminar Room.
6 Perseverance 6 Integrity 6 Respect	Seminar Room	Fridays	7.10 a.m. to 7.25 a.m.	For students who reach school after 7.05 a.m., they are to report to the Seminar Room with their bags.

Yours sincerely,

Mdm Connie Soon  
HOD/Science
