29 January 2020

Through: The Principal

Dear Parents/Guardian,

Total Defence Day (TDD) 2020

The theme for this year is ***Together We Keep Singapore Strong***. Over the past 54 years, Singapore has remained safe and peaceful because of the efforts by all Singaporeans in carrying out Total Defence. It continues to be relevant because the threats we face today require everyone to come forth and play their part.

We have planned an array of activities to commemorate TDD with the aim to educate our students the importance of Emergency Preparedness, and to build in them gratitude for the contributions and efforts of our forefathers in making possible the peace and stability that we experience in Singapore today.

These are the areas planned for a total immersive experience of the commemoration of TDD:

- TDD Curriculum infused into MT CCE and Social Studies lessons from **3 February**
- Family time engagement through resources from MOE; SG Secure books, SG Unite cards and Kindsville (P1 to P4) or A-OK (P5 and P6) books from **3 February**
- TDD Assembly Skit on **13 February**
- TDD Rationing exercise during recess on **13 February**

Details of the Rationing Exercise

All students and staff of Temasek Primary School will be served plain porridge, sweet potato or potato during the respective recesses. Please take note of the following:

- Students are required to bring their own personal bowl and spoon and placed them in a zip lock or bag labelled with their name and class on **Thursday, 13 February 2020**. This is part of the school's effort to take responsibility in the area of Climate Change.
- Students have concession to receive more than one serving of porridge upon request.
- No food and drinks will be sold during recess. The canteen vendors will continue to prepare and sell the usual food items and drinks from 1.30 p.m. onwards to cater to after-school programmes and activities.
- All students are required to bring along their own water bottles so that they can refill at the various water coolers located around the school.

Please inform your child/ward's Form Teachers if he/she is unable to participate in the food rationing exercise due to medical or health reasons. You may contact the school at 6443 8134 should you need further clarification.

TEMASEK PRIMARY SCHOOL

Learn, Lead, Serve & Grow

We thank you for collaborating alongside us to inculcate the importance of TDD through conversations regarding the experiences in school and resources that they would be bringing home.

Yours sincerely,

Mr Martin Goh
Level Head/Mathematics
